Thank you so much for responding to our Photo LOLA Club Survey! We were amazed at the amount of interest and valuable input. Based on the results, we have been able to sketch out a plan for Photo-LOLA. Our photo instructor, Libby Scott, will start off by offering 2 classes, which are both listed below. She looks forward to providing more advanced photography classes in the near future.

**\*Photo 101- Great workshop for beginners and intermediate photographers.**

**7/22/22, 9-12pm**

**\*\*Creative Iphone Photography and Editing – all on your phone!**

We will offer a free special workshop in June that will take place near the Land O' Lakes pavilion. We also hope to schedule a few Photo-LOLA group outings this summer and fall. All of these opportunities will be posted on our website and social media platforms in late April/early May. Please check out our website for more information and to register for the classes. <https://lolaartswi.com/classes>

Many of you indicated an interest in being a part of a photo club. We'd like to let you know that **The Warehouse Art Center** in Eagle River has an existing club and would love new members. Our photography instructor, Libby Scott, is the leader of the club. Their next meeting will take place on Wednesday, April 13th from 6 - 8 p.m. at The Warehouse.
